4. 新竹發射站現況:新竹站的建置完成發揮預期功能,但發生了非預期事件,即新竹發射站與在地電台電波相互串連後形成干擾波,影響了國際航班降落桃園機場前的自動導航無線電波遭到干擾,目前暫時因應之道是將原發射功率從核定的700w降低為150w,但對新竹轉播站的服務效能打了一個大折扣。目前仍在進行各項監測數據參數之收集測試研判階段,待具體解決方案確認後,再向董事會說明報告。

5. 市場行銷與業務:歷經數年新冠疫情的影響,2022年終於迎來了相對成長的一年。透過新的廣告專案和強化直客群的開發,2022年的整體業績相較2021年顯著成長了15%,但是,值得注意的是廣告代理商的整體業績現下滑。2023年的目標除了持續強化直客的開發與維護之外,如何提升廣告代理商的業績將是一個重點項目。

身為全國唯一的英文廣播電台,聽眾收聽 ICRT 不僅是喜歡多元豐富的節目內容,學習英文也是重要的原因之一。呼應 2030 雙語國家的政策,除了製播具水準的英文節目之外,電台將加強開發英文學習類產品和舉辦相關活動,不但強化 ICRT 的品牌形象,更將成為增加營收的另一項目。

6. 本會投資兩檔 ETF 理財商品之績效報告

決 議: 經主席徵詢出席董事全體同意照案通過。

八、董事會指示事項:

- 1. 政府推行的 2030 雙語國家政策, ICRT 應該要好好把握這個商機, 開發相關 產品和提案。
- 2. ETF 理財乃為長期投資,可再觀察一段時間,落實每半年定期評估這二檔 ETF 投資標的的獲利表現,第三季可能會有反彈,屆時可考慮挑選一檔來轉換投資 標的,並向董事會報告說明。

九、臨時動議:

案由一:建議調整評量現有之「績效考核及年終獎金管理辦法」。

說 明:績效考核及年終獎金管理辦法制定之目的,主要是做為發放年終 獎金之分配依據,不涉及職等、薪等之配合調整等問題。目前相關辦法中 C 等級佔比高達 60%,ICRT 是一個僅四十餘人的小單位,有些部門僅 2-3 人,在 佔比規定的嚴格限制下,C 等級對應的評量是 70-79 分。對一般人的認知,C 等 級是較為差的評量,對英美外籍人士的認知更糟,其結果不僅未能達到激勵 效果,反而造成對同仁的士氣打擊。因此建議可就現行的辦法重新評估,並調整 為 A/B+/B/C 等級,並將 C 等級的比例調低。

决 議: 請相關部門研議並提供建議,待下次董事會時提出討論。

ICRT 2023 Operations Plan 台北國際社區廣播電台 2023 年營運計畫

Overall Operations

2022 was the third year of the COVID pandemic, having a negative impact on the economy and advertising revenues, and making events very difficult. But luckily, as the year progressed the overall situation improved, and with it the market started showing positive signs too. At the same time, through experience gained over the past few years, we were able to more smoothly respond to absences caused by COVID cases, ensuring that our operations weren't adversely affected.

With the pandemic slowly moving into the rearview mirror, or at least growing less disruptive, we are mildly optimistic for 2023. We see the return of more on-site events, which are growing more important to ICRT operations. We are also taking more steps to leverage our position as one of Taiwan's most well-established English-language media, to do more projects promoting a bilingual Taiwan, and also developing products with vendors to help our audience learn and improve their English.

For on-air programing our theme and goal in 2023 will be local and relevant content. Content which speaks to a Taiwan audience, meeting their needs for information, news, and entertainment, and keep them tuned-in. The Programming Department plans to produce more content featuring local artists and news-makers to provide the audience with information relevant to them, and also unavailable anywhere else. For News, ICRT will continue to increase the depth and frequency of interviews with relevant commentators who can help explain and put important news stories and perspective. Expanding non-linear content will also be a focus, including lifestyle and women's issues podcasts and videos to attract a more diverse and young audience. Only by providing meaningful and relevant information to our audience, will they value ICRT programming.

Next, after completing the launch of our booster in Hsinchu to improve broadcasts in that area, we continue to fine-tune the broadcasts to enhance reception in all major populations areas, and minimize interference. Finally, as the government continues to promote English as part of its Bilingual Nation 2030 project, ICRT is looking for new areas where we can assist in this program, both for the benefit of our Taiwan community, and also seek out new business opportunities.

整體營運計書

2022 年,新冠疫情的影響來到了第三年,衝擊了經濟活動以及廣告收益,也增加活動舉辦的難度。幸虧整體情況已於今年漸漸好轉,市場也呈現正面發展跡象。於此同時,我們也能夠藉助過去數年的應對經驗,更流暢地面對確診病假相關問題,確保電台運作無虞。

隨著疫情的陰霾逐漸遠去,衝擊也愈來愈小,我們對於 2023 年保有樂觀的期待。越來越多的活動回歸實體舉辦,這對ICRT的營運日益重要。我們也採取許

多措施,以發揮我們做為台灣家喻戶曉英語電台的影響力,藉由不同企劃推廣 雙語國家政策,並與供應商合作開發產品,幫助台灣聽眾增進英語實力。

我們將會以本土視角製作相關內容作為 2023 年的廣播節目主軸和目標。 我們將會以與本地相關的內容做為 2023 年廣播節目的主軸和目標。這些內容針 對台灣聽眾,滿足他們對於資訊、新聞、和娛樂的需求,確保聽眾黏著度。節 目部門計畫製播更多以國內藝人和新聞人物為主的節目,提供更貼近聽眾生活 的獨家資訊。新聞部門會持續增加採訪的頻率和深度,聚焦並且解釋重要的新 聞事件。我們也會拓展多樣化的媒體內容,例如生活及女性議題相關之播客節 目和影片,好吸引年輕且多元的聽眾族群。只有致力提供有意義,並且切身相 關的資訊給聽眾,他們才會重視 ICRT 的節目。

另外,繼我們於新竹的訊號加強站完工啟用後,我們也持續微調我們的廣播節目以增強主要人口聚集區的訊號品質,並盡力降低干擾。最後,隨著政府持續加強英語做為 2030 雙語國家政策的一環,ICRT 也正在探索我們可以為政策提供怎樣的協助來幫助台灣,同時拓展自己的新商業機會。

Overall Programing Goals

Local and relevant programming is our focus for 2023. In today's media environment, audiences can access radio station streams and podcasts from around the world, or use services like AppleMusic or Spotify to listen to personalized music feeds whenever they want. In light of these realities, we need to leverage our strengths to maintain our audience, and attract new listeners.

Keeping it local. When listeners can listen to radio stations and podcasts for around the world on their smartphone, ICRT needs to distinguish its programming, and one of the most effective ways is by creating content with speaks to the local audience. This includes music is attuned to local tastes. Whenever we open the mic, we try to present the information and content from an angle which makes more sense to a Taiwan audience, such as when discussing a new song featured in a major Hollywood blockbuster, we'll remind the audience this movie will be opening in Taiwan theaters next month. By keeping a local focus in our content, we provide information broadcasters or podcasters overseas can't provide, and add value and usefulness to our content. The same goes for the music we play.

Keeping it relevant. In many ways, this is an extension of keeping it local. It's not good enough that we feature local content, or present the content with a local angle, it's also essential to choose content which is relevant to our audience. By knowing their likes and dislikes, we can select content that reflects their tastes and needs.

In other words, if the content is unique by making it local, and useful by making it relevant, we expect to distinguish our programming, and grow our audience who will rely on us more.

We are pursuing these directions while still working to provide programming which serves the international audience in Taiwan, and works to promote English, as part of the government's Bilingual Nation 2030 campaign.

節目整體目標

自本土視角製作相關節目內容是我們 2023 年專注的主題。在現今的媒體環境中,聽眾可以從世界各個角落收聽廣播節目和播客,也可以隨時透過 Apple Music 或 Spotify 聆聽個人化的音樂內容。有鑑於此,我們需要盡力維持現有聽眾黏著度,並進一步吸引新聽眾。

從本土視角出發的內容。如今聽眾可以智慧型手機在世界各地收聽廣播電台和播客,因此ICRT需要創造出節目的差異性,而最有效的方法之一即是創作針對國內聽眾的內容,其中也包含符合國內聽眾口味的音樂。我們無論何時打開麥克風,都希望提供資訊和內容對本地聽眾來說特別符合需要。例如當我們討論好萊塢熱門電影中播放的新歌時,會告訴聽眾該電影何時會在台灣戲院上映。這些從本土聽眾角度出發的內容,讓我們能夠提供海外電台和播客節目無法提供的資訊,為我們的節目內容創造價值以及用途。我們播放的音樂也都遵循此原則。

保持內容相關性。這在許多方面皆延伸自我們的本土視角目標。僅僅提供在地 化節目,或是以本土角度呈現節目仍然不足。必須為聽眾篩選與他們切身相關 的內容。我們能夠依據聽眾的喜好,選擇符合他們口味和需求的節目內容。

換言之,若我們能夠透過提供在地化並切身相關的內容,使節目更獨特且有益於聽眾,我們便可為我們的節目創造差異性,並且增加熱愛聽我們廣播的聽眾 人數。

我們將會朝這個目標邁進,並同時提供符合國際聽眾需求的節目,和依循政府的 2030 雙語國家政策持續推廣英文。

News Department

Caribbean Adventure: The Caribbean region is home to many Taiwan diplomatic allies, making the region important for Taiwan. There are also many students and young entrepreneurs from Caribbean studying and building businesses in Taiwan. Caribbean Adventure is a series of programs on ICRT designed to explain the people, culture, music and cuisine of the region to Taiwan listeners, and enhance friendship. ICRT works with MOFA on this project, and in the coming year we have scheduled diplomats and newsmakers to join us. The ICRT newsroom plays an active role in this project, producing the show Talking Tropics, a monthly interview segment with movers and shakers in the Caribbean community. Guests have included government ministers from Caribbean nations, authors, and singers. The newsroom also helps to gather information and updates for this project, as well as coordinate content.

Podcasts: ICRT was a pioneer for podcasts in Taiwan. No longer limited to radio programs being made available as a convenient download, today's podcasts are growing more diverse and entertaining. Responding to these changes, in addition to the news and English learning podcast we already offer, in 2023 we will launch for

"soft" and lifestyle content to attract new listeners. One new podcast currently under planning will feature female hosts, to provide a different and fresh perspective.

Local updates. Building on the above, we will also focus more on telling more of the everyday stories of Taiwan, so our audience can better understand and appreciate Taiwan. We are expanding our profiles of persons, companies and organizations working to build a better and more vibrant Taiwan.

Our goal is to be Taiwan's premier source for real-time news in English on Taiwan. This will include greater use of our web and app, real-time notifications, plus the addition of more audio and video content.

新聞部

Caribbean Adventure:台灣許多友邦位於加勒比海,對台灣意義極其重大。許多加勒比海國家的學生和企業家也會來台攻讀學業或是創業。Caribbean Adventure 是一個由 ICRT 製作,旨在向台灣聽眾介紹當地人民、文化、音樂以及美食,並深化雙邊友誼的節目。ICRT 與中華民國外交部合作開發這系列節目,並預計在接下來的一年中,安排外交官員和新聞人物參與我們的節目。ICRT 新聞部也會每月製作與加勒比海地區重要影響力人物訪談的 Talking Tropics 節目,在系列節目製作中扮演重要的角色。目前的採訪人物已包含加勒比海國家的政府官員、作家,以及歌手。新聞部也協助蒐集相關資訊和最新動態,並協調節目內容。

播客:ICRT為台灣播客的先驅。播客不再受傳統電台節目相同的限制,可以隨時隨地下載,使其在娛樂性和多元性上都獲得大幅提升。為因應此變化,我們除了目前已在製播的新聞和英語教學播客節目之外,也將在 2023 年推出娛樂性較高的日常生活節目內容,吸引新聽眾。我們目前正著手開發由女性主持人錄製的播客,以提供更多元、新穎的議題觀點。

國內新聞:除了上述內容,我們也將致力播報台灣國內新聞,使我們的聽眾可以更了解並珍愛這片土地。我們將擴大報導,介紹致力為台灣注入活力、使台灣變得更好的人物、企業,以及組織。

我們的目標是成為台灣即時英語新聞媒體的領導者。為達成這項目標,我們將會加強利用我們的網站、應用程式、即時通知,並製作更多影音內容。

Programming Department

Asia Nation: In 2023, we will introduce a new host for AsiaNation, a long-running program that serves new immigrant listeners from southeast-Asian countries. New format includes weekly headline reports from Thailand, Vietnam, Indonesia, Philippines, Malaysia and Myanmar.

New media: Our programs available on Twitch, a live-streaming platform popular with young people. To encourage more paid subscription, we plan to hold more activities, including periodic giveaways of record-label/ICRT merchandize.

ICRT continues to expand the depth and breadth of its programming. Through specially selected music and information, we hope to bring more voices and opinions to our programming.

DJs: More diverse voices and sounds is our goal in 2023. During 2022 we started the process of adding more female DJs in our weekday programming, and added a Caribbean DJ to host a show on the weekend. In 2023, we will continue this process. DJs from different backgrounds add a new perspective to the topics they discuss and the music they play, making our programming more interesting and relevant to our audience.

節目部

Asia Nation:我們將會有一位新的主持人加入 Asia Nation 節目。Asia Nation 是一個致力於服務東南亞國家新移民的長青節目。此節目未來將會加入新環節,每周報導泰國、越南、印尼、菲律賓、馬來西亞,以及緬甸的頭條新聞。

新媒體:我們的節目現在也能夠在備受年輕人歡迎的直播串流平台 Twitch 上收看。我們也預計舉辦更多線上活動,如定期抽獎贈送音樂專輯或 ICRT 周邊商品,以刺激付費訂閱人次。

ICRT 也持續提升節目的深度以及廣度。我們希望藉由精挑細選的音樂以及資訊內容,為節目帶來更多元的聲音以及觀點。

DJs:提供更多元的聲音是我們 2023 年的目標。2022 年,我們逐漸讓更多的女性 DJ 主持平日節目,並邀請一位加勒比海國家 DJ 主持一檔周末節目。我們將會在 2023 年持續朝此方向進展。來自不同背景的 DJ 可為音樂和討論主題帶來更 多觀點,也讓我們的節目更有趣、更能使聽眾產生共鳴。

Marketing/Sales

After several years of the COVID pandemic, 2022 finally witnessed some growth. Taking advantage of new advertising packages and strengthened development of direct clients, sales growth grew noticeably by 15% in 2022 compared to 2021. But at the same time, it is noteworthy that sales revenue from advertising agents fell. For 2023, the goal is to both strengthen the development and maintenance of direct clients, while at the same time explore how to rebuild revenue streams from advertising agents.

As Taiwan's only English-language broadcaster, our audience not only tunes in for ICRT's rich variety of exceptional programming they have grown to love, but learning and improving their English is also an important reason. In response to the 2030 Bilingual Nation policy, in addition to producing quality English programming, ICRT will also enhance efforts for developing English learning products and organizing relevant events and activities. Not only will these steps strengthen ICRT's brand image, and also become a new revenue source.

市場行銷與業務

歷經數年新冠疫情的影響, 2022 年終於迎來了相對成長的一年. 透過新的廣告專案和強化直客群的開發, 2022 年的整體業績相較 2021 年顯著成長了 15%. 但是值得注意的是廣告代理商的整體業績呈現下滑. 2023 年的目標除了持續強化直客的開發與維護之外, 如何提升廣告代理商的業績將是一個重點項目。

身為全國唯一的英文廣播電台,聽眾收聽 ICRT 不僅是喜歡多元豐富的節目內容, 學習英文也是重要的原因之一. 呼應 2030 雙語國家的政策,除了製播具水準的英文節目之外,電台將加強開發英文學習類產品和舉辦相關活動,不但強化 ICRT 的品牌形象,更將成為增加營收的另一項目。

Other Developments

其它發展

Hsinchu Booster. In 2022, we successfully completed and launched a new booster in Hsinchu to better serve the audience in this important metropolitan area. Since this booster transmits at FM100.1, the same as our adjacent transmitter in Sanyi, there is some interference is a few remote areas. We will continue to monitor and make necessary changes to eliminate this problem.

新竹訊號加強站:我們於 2022 年啟用新竹地區的訊號加強站,使我們能夠為新竹大都會地區提供更好的服務。由於此加強站發射 FM100.1 的訊號,與三義的發射站頻率相同,因此在某些偏遠地區可能會造成訊號干擾問題。我們將會持續監測情況,並進行必要改善,消除此問題。

Online Platforms. Being one of the pioneers in online broadcasting in Taiwan, ICRT continues to expand in this space. During the COVID-19 pandemic, we enhanced our online video capabilities, including remote video chats with newsmakers and celebrities. Moving into 2023, we will expand this content to meet the needs of audience, explore new platforms to expand, and make our programming more informative and entertaining. The social media landscape is reaching an inflection point, and we must re-evaluate our social media strategy to keep abreast of these chances.

線上平台:ICRT 作為台灣線上廣播的先驅之一,也正在持續拓展相關領域。在 新冠疫情期間,我們提升了電台在線上影音方面的能力,其中包含與新聞人物 和名人進行視訊對談。步入 2023 年,我們也會拓展相關內容以符合聽眾需求, 並持續探索新平台、致力使我們的節目更兼顧教育性和娛樂性。社群媒體的大 環境已經迎來了一個重要的轉換點,我們也需要重新審視我們的社群媒體策 略,以便及時抓住最新機會。

Enhance relations with our stakeholders. Strong community relations are a top priority for ICRT. We will continue our efforts to build more robust connections with the international community, and be more responsive to our Taiwan audience as well.

加強與我們服務對象的關係。緊密的社區連結是ICRT的首要事務。我們會持續努力加強與國際社區的關係,並且更迅速回應台灣聽眾。

Sustainability. Sustainability is a key to Taiwan's future development, including green energy, circular economy, and environmentally friendly industry. ICRT continues to work with various government agencies, foreign representative offices and private industry to offer a series of programs to delve into the challenges of building Taiwan's long-term development.

永續性。永續性是台灣未來發展的關鍵,包括綠色能源、循環經濟和環保產業。ICRT持續與各政府機構、外國代表處和民營企業合作,提供一系列節目,探討台灣長期發展所面臨的挑戰。

ICRT 2023 Budget Plan 台北國際社區廣播電台 2023 年經費預算

2023 Financial Projections

The TICCF Board of Directors approved ICRT's proposed budget for 2023 on January 12th, 2023.

For 2023, ICRT is proposing a slight increase in our projected year-end surplus. This is both in light of our improved fiscal performance in 2022, plus built on the hope that the COVID pandemic will begin to ease, allowing the business environment return more to "normal". But despite this measured optimism, we still predict revenues might decline slightly compared to 2022. To counter weakness in radio advertising revenue, ICRT will continue to leverage our strength as an English language broadcaster, and promote products and advertising which target Taiwan's push toward a bilingual nation.

2023年財務預估

財團法人台北國際社區文化基金會董事會於 112 年 1 月 12 日通過 2023 年之預算。展望今年,我們預期年底的盈餘會有小幅成長,因為 2022 年我們較佳的財務表現,另外也是希望隨著新冠肺炎減緩,商業環境會回歸正軌。即便保持樂觀,我們依然預期今年度的營收,比起去年仍會稍差。為克服廣播業廣告收益的疲弱,ICRT 將持續發揮我們做為英語廣播電台的影響力,宣傳促使台灣邁向雙語國家之路的相關產品廣告。
