

圖七 我國與世界主要國家市內電話通話費比較
Local Telephone Fees Around the World

單位：美元

Unit: US\$

備註：本統計表為各國住宅及非住宅之市內電話通話費比較，係以每月市內電話180通，每通3分鐘加月租費計算。

資料來源：各國通話費及月租費之資料取自ITU World Telecommunication Development Report 1999。

Notes: The statistics in this chart are based on residential and business local telephone charges, calculated on 180 local calls which last three minutes each plus the monthly charge.

Source: Connection and monthly charges of various countries are from the ITU World Telecommunication Development Report 1999.
