

Mobile Communication Spectrum Utilization in Taiwan

(excluding assigned additional spectrum)

Figure 1 displays six horizontal timelines showing the evolution of the 'Year of the Pig' (Year of the Earth Pig) from 100 to 2300. The timelines are arranged in a 3x2 grid. Each timeline has a scale at the top with major ticks every 50 years. The bars represent the duration of the Year of the Earth Pig for each century. The colors of the bars indicate the day of the week for the start of the Year of the Earth Pig: purple for Saturday, blue for Sunday, red for Monday, yellow for Tuesday, brown for Wednesday, and green for Thursday. The timelines show that the Year of the Earth Pig occurs every 12 years, and the day of the week for the start of the Year of the Earth Pig repeats every 60 years.
