

## **Standards for Low Power Radio-frequency Devices Statutory Fee**

Amended Date[2016/07/19]

1. 4 Articles promulgated in full by the Ministry of Transportation and Communications ( MOTC ) on Jan. 27, 2004. Ref : Jiao-Lu-Fa Tze No.093B000007.
2. 6 Articles and the title amended and Promulgated in full by the National Communications Commission ( NCC ) on April 26, 2007. Ref : Tung-Chuan-Ji Tze No.09605055630.
3. The amendment of Attachment of Article 3 promulgated by NCC on Jul. 19, 2016. Ref: Tong-Chuan-Zih-Yuan-Zih No. 10543014250.
4. Amendment to Article 4, Article 5 and Attachment of Article 3 on June 7, 2017 by National Communications Commission. Ref.: Tong-Chuan-Zi-Yuan-Zi No. 10643012050.

### **Article 1**

These standards are promulgated pursuant to Article 70 of the Telecommunications Act.

### **Article 2**

Low Power Radio-frequency Devices statutory fees include both type approval fees and license fees.

### **Article 3**

With respect to each application for type approval of the Low Power Radio-frequency Devices, the Recognized Certification Bodies (hereinafter as RCB) shall charge an inspection fee as attached in the Table "Low Power Radio-frequency Devices\_Statutory Fees."

### **Article 4**

The second and subsequent applications for the approval of low-power radio frequency devices (LPRFD) within the same product series shall be charged at half rate.

The aforementioned "product series" refers to that defined in Article 2 of "Compliance Approval Regulations on Controlled Telecommunications Radio-Frequency Devices".

### **Article 5**

Those who apply for renewal or reissue due to the loss or damage of LPRFD

approval certificate or amendments to the certificate description shall pay the certificate fees according to the statutory fee table.

The approval certificate mentioned in the preceding paragraph refers to that defined in Article 2 of “Compliance Approval Regulations on Controlled Telecommunications Radio-Frequency Devices”.

#### **Article 6**

The Regulations shall become effective as of the date of promulgation.

## Attachment

### Table for Low Power Radio-frequency Devices Statutory Fee

#### 1. Type approval fees

purpose	Charged Items	Unit	Fee (NT)	Classification	Exemption requirements
Commercial-use	Fee for Type ( I )	per piece	6,000	Devices operating in the frequency band below (including)1GHz except for UNII, frequency hopping or digitally modulated devices	Half price for the second piece and subsequent device of a family series
	Fee for Type ( II )	per piece	7,900	Devices operating in the frequency band above 1GHz except for UNII, frequency hopping or digitally modulated devices	
	Fee for Type ( III )	per piece	9,800	Devices employing frequency hopping or digital modulation techniques or UNII	
	Fee for Type ( IV )	per piece	1,700	Approval per piece	
	Fee for DoC and SDoC ( V )	per piece	2,000		
Private-use	Fee for Type ( VI )	per piece	1,100		Half price for the second piece and subsequent devices

Note : UNII, Unlicensed Nation Information Infrastructure Devices

#### 2. License fees

Charged Items	Unit	Charged Price (NT)	Remarks
---------------	------	--------------------	---------

Fee for LP Type Approval Certificate	per piece	500	Fees are charged for reissue or replacement.
Fee for LP Compliance Approval Certificate	per piece	500	Fees are charged for reissue or replacement.
Fee for LP DoC and SDoC Certificate	per piece	500	Fees are charged for reissue or replacement.
